Quaker insulated glass is sealed with patented DuraLite™, a warm edge spacer that carries a 20-year warranty against seal failure.

## Options

Optional retractable screen is there when you need it and can be put in a stowed position when you don't.

Pre-finished white or primed interior to eliminate some of your work.

Exterior cladding can be custom painted almost any color.

Upgrade glass for more energy-efficiency, better aesthetics, functionality, or a combination of all three. Among the choices available are Low-E glass with Argon gas, Quaker's Energy-Plus glass package, multiple tints such as Bronze or Grey, obscure (privacy) glass and tempered (safety) glass.

Knotty alder wood available for a more rustic interior look.

Personalize your Brighton™ windows with grids.

- Simulated Divided Lites replicate a look of days gone by.
- Grids between the glass are dust-free, available in a flat or contoured shape, and offered in single color or two-tone appearance.
- Wood surround grids add beauty yet can be removed quickly for easy cleaning.
