THE CONDITIONS AND EXCLUSIONS OF QUAKER'S LIMITED WARRANTY ARE AS FOLLOWS:

Glass – 5 Year

Quaker warrants that under normal conditions, its factory installed insulated glass with Duralite spacers will be free from manufacturing defects for **five (5) years** from original date of purchase. Glass is warranted against stress cracks for **ninety (90) days** from original date of purchase. Laminated glass is warranted from manufacturing defects for **one (1) years** from original date of purchase. This limited warranty does not apply to special glazings .

Glass contained in Quaker's storm window products is warranted against breakage during shipment from Quaker's manufacturing plant to the authorized Quaker dealer shown at the top of this warranty.

Note regarding insulated glass containing argon gas fill:

Inert gas dissipates over time, and will dissipate at a more rapid pace when adding Capillary tubes to insulated glass. Quaker does not warrant the amount of inert gas present in insulated glass at any time after manufacture.

Simulated Divided Lites/Applied Grilles

Materials which are applied to the face of insulated glass for the purpose of simulating Divided Lites, are warranted from detaching from the glass surface for a period of **five (5) years** from original date of purchase.

Hardware

Window and door hardware (including non-electric operators, locks, lifts, balance systems, hinges, handles, rollers, insect screens, weatherstripping, and exterior trim) to be free from manufacturing defects for **five (5) years**. All other hardware not listed will be warranted to be free from manufacturing defects for **one (1) year**.

Painted Finish

Aluminum Painted finish:

Anodized Finish: **three (3) years**
2603 and 2604 Finish: **five (5) years**
2605 Finish: **fifteen (15) years**

Vinyl Painted finish:

five (5) years

Quaker warrants Aluminum exterior painted finishes from the date of invoice that they:

- Will not fade in color more than five (5) units as measured by Hunter L*a*b* Color Difference as set forth in ASTM D2244 Section 6.3
- Will exhibit gloss retention of a minimum of 30% of the original as measured in accordance with ASTM D523 using 60° readings

- Will not chalk in excess of standard number 8 ratings for colors, number 6 for whites as illustrated in the ASTM D64214 Test Method A
- Will not crack or peel in such a way as to significantly adversely affect the appearance of the surface to which the product has been applied and result in damage to the surface

Note: Certain high chroma shades of red, orange and yellow require a clear top coat to achieve the 5-year South Florida weathering durability according to AAMA 2604-05

Quaker warrants Vinyl exterior finishes from the date of invoice that they will resist cracking, peeling, chalking, delaminating, blistering, flaking and significant ultraviolet discoloration (greater than 6 Delta E) caused by natural environmental atmospheric conditions.

*The painted finish for the Michael Series commercial entrance door carries no warranty.

Wood Interior Finish

Quaker warrants that all factory-applied wood interior finish or stain by Quaker is warranted for **one (1) year** from the date of purchase against peeling, cracking, or checking. Standard factory-applied primer is not a finish coat

Vinyl

Quaker warrants that the vinyl frame and sash will not peel, rot, flake, blister, or corrode under ordinary conditions for **ten (10) years**. Warranty does not apply to units that have improperly stored or have been painted or altered from their original state by someone other than an authorized Quaker employee.

Warp

Quaker warrants its wood doors against warping, bowing, cupping or twisting of greater than 1/4". Doors greater than 7ft tall without factory installed multi-point locking hardware are not warranted against warping or performance.
